

COULD YOU BE EZRA'S HERO?

Ezra is 2 years old and loves the alphabet, music and his tricycle. Ezra is in need of a bone marrow transplant to survive. Ezra has a rare primary immune deficiency disorder called Hyper IgM Syndrome. Ezra's best chance of finding a genetically matched donor lies with those of Eastern European ancestry, particularly Polish and Hungarian.

Swab your cheek to see if you are a match for Ezra and other patients in need.

Sunday March 4, 2012

12:00 pm to 2:00 pm

Temple Emeth Purim Carnival

194 GROVE STREET

CHESTNUT HILL, MA 02467
