

MAKE SOME MIRACLES WITH US!

THE MACCABEATS ARE LOOKING FOR HEROES

That hero can be you! Every year thousands of patients worldwide search for their miracle match. Through the Gift of Life Bone Marrow Foundation you can become a stem cell or bone marrow donor. Joining the registry is easy and done through a simple cheek swab. Eligible donors must be between the ages of 18 and 60 and in general good health, meet the guidelines and be willing to donate to any patient worldwide. As the Talmud says "He who saves one life is as if he has saved the world."

At our concert, get swabbed, become a hero.
